Music Instrumental Classes	1 <sup>st</sup> Term, 2016-2017	14	2	32000	Students were given the opportunities to develop life-long interest outside classroom teaching. This is beneficial to their whole-person development. Through the interest classes, they were able to develop generic skills like communication, perseverance, team work, music and dance appreciation and self-reflection, etc. The classes played an important role for their personal growth and development.
